

Kerrygold Irish Cream Liqueur

17%

Kerrygold is Ireland's major player in the dairy business. Scored against other Irish cream liqueurs, this is highly rated. I'm smitten.

The sweet chocolate is rich, delectable, and utterly gorgeous, with melting caramels slathered all over the taste buds, riding high on a wave of lush Irish cream. There are fruity notes of sultana and black cherry, expressed by the chocolate, which soar above the reliable foundation of Irish whiskey. Can you tell this won my heart? Do indulge.
