

Glenfiddich Rare Oak 25 year old

43%

A classic mature 'Fiddich nose, that mix of chocolate, sweet fruits, and funkiness. Dried apples, a little currant, but also a pure thread of sweetness. In time, a little fresh mushroom. Complex. Soft on the tongue, so you need to concentrate on what's happening. Later becomes minty, with supple tannins and a little artichoke on the finish. Water needs to be handled carefully to bring out green herbal notes. I'd probably keep water on the side. Excellent.
