

Delilah's '13' Bourbon

13 year old, Batch #1, 50%

One of the leading bourbon-specialty bars in the U.S., located in Chicago, finally has its own single barrel bourbon. The flavors are nicely balanced, and there's a soothing, creamy texture throughout the palate. Sweet notes of coconut cream, vanilla fudge, and honeycomb are enhanced by a complex array of more delicate notes of spearmint, green tea, golden raisin, dusty corn, cocoa, and oak resin. This time, "13" is a lucky number.
