

High West Bourye (Batch #1446)

46%

Back on the market again, but with a tweaked formula (a blend of 9 year old bourbon with 10 and 16 year old rye whiskeys). This Bourye sports a rye freshness, crispness, and zing. Notes of cinnamon and mint are balanced by caramel, vanilla, and bright glazed fruit, with a lingering honey-rye finish. It leans more toward a rye whiskey than a bourbon in flavor profile. Sourced whiskey.
