

Wild Turkey Kentucky Spirit (Barrel #98)

50.5%

A single barrel bottling from Warehouse N, rick number 1, bottled at the proof that Wild Turkey was designed to be. A deeply-woody spiced nose featuring cinnamon and caramel advertises a power punch whiskey, but on the palate there's no punch. Instead, it's lush, round, and affable, with deep caramel and cinnamon co-mingling with peanut. The lush, sweet start is well-balanced by cinnamon spice, which ramps up and drives a long spicy finish. This is delicious whiskey. *(Julio's Liquors only)*
