

**Cadenhead's (distilled
at Linkwood) 1989**

51.1%

Powerful and rich to begin with. Some raisin syrup backed with clean, apple-like acidity adding some freshness. This swells into a deep but refined musky apple/pear note with some black fruits behind. Highly complex, but full of distillery character. Water brings out a note like freshly-applied varnish. The palate is smooth, gentle, and deep. A classic mature Linkwood with all of the distillery character on show in perfect alliance with the cask.
