

## **Kilkerran Work in Progress VII - Bourbon**

**54.1%**

The 2015 Work in Progress releases are the last before the single malt becomes a permanently-available 12 year old in 2016. 6,000 bottles are available. Creamy malt, marzipan, and vanilla on the nose, with pears, instant coffee, linseed, and a hint of table salt. Soft and slightly oily on the warm, spicy palate, with immediate ripe apples, caramel, and slight smokiness. Long and slowly drying, with a touch of aniseed and brine.
