

The Dalmore 21 year old

42%

Dalmore released 8,000 bottles of its latest 21 year old, initially matured 10 years in American oak barrels before an 11 year period of secondary maturation in first-fill Matusalem *oloroso* sherry butts from Gonzalez Byass. Intense aromas of Jaffa orange, marzipan, and ginger, plus soft oak. Robust, yet stylish. Smooth and well-rounded on the palate, with milky coffee, orange marmalade, cinnamon, and developing spicy dark chocolate. The lengthy finish is spicy, with licorice, a hint of citrus, and sweet oak.
