

Tomatin 36 year old 46%

Tomatin has introduced a permanently-available 36 year old expression, and the first batch comprises 800 bottles. Matured in a combination of bourbon and *oloroso* sherry casks, this expression has not been chill-filtered. Milk chocolate and vanilla on the early nose, with background apricots, malt, and ginger. Ultimately citrus fruit and sherry. Good mouth-feel, lively sweet fruits, cloves, and more ginger on the palate. Long in the finish, drying slowly to fruity licorice and plain chocolate.
