

Balblair 2004 Sherry Matured

46%

Balblair has released two Travel Retail-exclusive variants of its 2004 vintage, matured in bourbon barrels and sherry casks respectively. The Sherry Matured version was aged in American and Spanish oak sherry butts. It is only available in Asia. Oriental spices, soft leather, and damsons on the nose. Milk chocolate-coated Turkish delight in time. The palate features lively spices, cooking apples, vanilla, medium-sweet sherry, and hazelnuts. Spices persist in the finish, with honey and raisins.
