

Johnnie Walker Select Cask Rye Cask Finish

46%

A zeitgeist Johnnie Walker fine-tuned for the American palate, this blend has a moreish nose of cinnamon, cocoa, and the toasted coconut of macaroons, mingled with strands of smoke, dried walnut, nutmeg, and an array of spicy rye anchored by a concentrated line of vanilla. Lots of American oak at play here. It's elegant, dry, and smooth with vanilla, cinnamon, coconut, and flashes of spice. It's fabulous sipped straight up but keep walking to the finish. Value Pick.
