

Dewar's White Label Scratched Cask

40%

What lies beneath the surface of Dewar's? Here, the blend is finished in virgin and first-fill bourbon casks especially charred, then scratched to enable deeper penetration. Thick wedge of vanilla and fudge with oaky accents, a dusty mouthfeel pulling in vanilla, light lemon, milk chocolate, and sweet toffee, ending on a cocoa powder note. Compared with regular White Label, this is less obviously sweet and creamy, adds complexity, and opens a bourbon connection. Certainly, this is up to scratch.
