Cherrywood Rye (Batch
1)**

48%

A 1 year old whiskey made from rye, wheat, and cherrywood-smoked malt. An interesting sweet/sour nose, with Montmorency cherry, sweet grain, bitter rye, and a slap of fresh leather jacket. Follows through in the mouth, but more integrated, a sweet cocktail of neat whiskey with only the slightest hint of "smoke." The leather slips in at the finish and wraps things up neatly. A bit overly sweet, a bit simple, but good.
