

**Sonoma County Cask
Strength Rye**

54.4%

100% rye, unmalted and malted, direct-fire pot stillled, “old wood finished”: a detailed label, but no age statement or “straight.”

Peppery, minty nose with a fleeting hint of coal smoke, lots of heat. Fierce rye flavor, hot and sweet, and then a fantastic finish that curls and flexes: sweet, oily, hot, pepper, and small barrel oak. The rest of it’s okay, but that finish is a marvelous ride.
