

J.P. Wiser's Double Still

Rye

43.4%

Blending two types of 100% rye with creamy corn whisky creates a complex dram that feels as good as it tastes. Sizzling peppers and nutty grains playfully torment fresh-cut cedar and dry oak, all on a comforting blanket of butterscotch. Street-roasted chestnuts and coffee beans bring depth. Pepper dominates, yet the mouth feels soft and sweet. Otherwise-muted fruity and floral notes blossom with a dash of water. *(Canada only)* C\$29
