

Green Spot Château Léoville Barton

46%

Mitchell & Son's classic whiskey finished for 1 to 2 years in wine casks formerly used by the Barton family in the St-Julien appellation. Spiced apple, redcurrant, blushing pink young raspberries, with a deeper earthiness, like a hedgerow run wild. An autumnal character: apple, rhubarb, ginger, piquant fruits, more vanilla, then a finish of sweetened apple and peppercorns. A definite imprint from the higher-strength pot still. It feels like the wine has shaped, sculpted, and finessed the whisky beautifully. *À votre santé!*
