

Glenmorangie Milsean

46%

Milsean is the latest Private Edition release from Glenmorangie. After initial bourbon barrel maturation, the whisky spent several years in heavily-toasted Portuguese red wine casks. Fresh fruits on the early nose, with ginger and a hint of musk. Coconut and icing sugar emerge. Smooth and rounded on the palate with a big fruit hit that becomes more citric in time, plus lively oak spices. Lingering in the finish, with persistent spice. Finally, plain chocolate and chili.
