

**Cask & Thistle (distilled  
at Glen Grant)**

**15 year old, 1988 vintage, 46%**

A nice example of what port wood finishing should do for a whisky.

The port influence (finished one year in a port pipe) has taken what would normally have been a fairly straight-forward whisky when it is young-clean, light, and dry with subtle notes of herbs and spices- and added some extra weight along with balancing sweet toffee and full fruit, without dominating.

(Bottled exclusively for Binny's Beverage Depot.)
