

**Woodford Reserve  
Frosty Four Wood**

**45.2%**

Think the holidays: nutmeg, butterscotch, cinnamon, gingerbread cookies, and saltwater taffy. Mouth-coating sensations down the jawline and palate roof. Caramel and vanilla follow it home to the finish, where out-of-nowhere black currant and blackberry jam linger to the very end. This is a fun sipper for those who love the barrel-finished style.

(375 ml.)
