

The Gifted Horse

57.5%

The mix: 38.5% Bernheim-distilled 17 year old Kentucky straight bourbon, 51% 4 year old bourbon, and 10.5% 4 year old corn whiskey. Kudos for the full disclosure. This whiskey doesn't fit in a typical American box. Hard to assess color with used cooperage from corn whiskey, so stick to aroma and flavor here. Impressive beginning of fruits, roasted nuts, citrus, vanilla, cherry, spice, and undercooked cornbread, followed by a quick caramel burst. Tasty, even better with a splash of water.
