

Rock Town Single Barrel Reserve Rye (Barrel 22)

57.9%

Cask-strength rye made from Arkansas-grown grain, aged 26 months. Must be a small barrel; it's quite dark. Nose of crushed rye grain, well-polished oak furniture, and moist rye bread. Swift and certain in the mouth: dense, chewy flavors of rye bread, sweet and full and bitter, crackling with oak spice, and drawing to a sizzling finish. I do like a small distiller whiskey that knows where it's going. Very impressive.
