

Shays' Rebellion American Whiskey

43%

Triple-distilled whiskey from Samuel Adams Cinder Bock beer, aged 3.5 years in Samuel Adams Utopias casks. Definite character of strong beer to the nose, very light smoke, some mixed fruit notes. Mellow smoke on the tongue, broad malt and fruit (prune plum, dried cherry, baked apple), a luxurious feel. Finish is slow and even. Flavorful, but not heavy or shouting. The casks have had a great effect here, but the distilling is skillfully done.
