

Catoctin Creek Kings Mountain Single Barrel

46%

Catoctin Creek's first malt whiskey, made from wash brewed by Heritage Brewing of Manassas, Va., aged in used Catoctin Creek whiskey barrels. Light floral notes, fresh-cut pencil lead, oak sawdust on the nose. Sweet and floral, but with a firm backbone of oak and dry malt, leading to a finish of candied oak: juicy-sweet but hard-cored. The profile is definitely Catoctin Creek whiskey, which is great to see in a young distillery trying something new. Well done.

(344 bottles, distillery only)
