

**Chicago Distilling Blind
Tiger Bourbon**

45%

Fresh oak nose, with hard candies and bitter grass notes. Much less oaky on the tongue, but the hard candies—spicy-sweet, a bit hot—burst in the mouth, leading down to a warm, pastry-sweet finish with a wreathing of ashes. Boozy and warm, and a bit simple, but quite drinkable for a young bourbon.

—Vol. 25, #2
