

Tullamore D.E.W. 18 year old

41.3%

After 18 years maturing in traditional oak, this triple distilled whiskey undergoes a four-cask finish in bourbon, *oloroso* sherry, port, and madeira casks. Following a 6 month period of finishing, molasses, raisins, chocolate ganache, malt loaf, and solid oak notes have emerged after careful blending of the component whiskeys. Smooth, yet thick and mouth-drawing; black fruits, treacle, wrinkled vanilla pods, chocolate chip muffins, and sticky dates. There are less than 2,500 bottles of this attractive, resinous whiskey that slips away leaving sweetness, dark fruit, and cinnamon. €110
