

Glen Scotia Distillery Edition

56.9%

This is the third single cask Distillery Edition cask strength. It was distilled in December 1996 and bottled as a 20 year old in April 2016. Coconut ice and vanilla fudge on the very sweet, confectionery-led nose, with a suggestion of salt in the background. Full and supple on the palate, with a big hit of ripe apples, then cinnamon and nutmeg. Very long in the finish with light black pepper. A Glen Scotia for those with a sweet tooth! (*Distillery only bottling*) £95

—Vol. 25, #4
