Tomatin Caribbean Rum

2007

46%

This 9 year old bottling has been fully matured in Caribbean rum barrels. Quite delicate on the nose, with wet grass, then emerging coconut and whipped cream. Slick on the palate, with an instant tropical fruit hit—ripe banana and pineapple—plus more cream, cinnamon, and hazelnut. Spicy and nutty in the finish, with a final tropical fruit tang (6,600 bottles) £40
