

GlenDronach Peated

46%

The first peated GlenDronach release, matured in bourbon barrels before a period in *oloroso* and Pedro Ximenez sherry casks. The nose offers dry, earthy peat, then becomes quite perfumed, with vanilla and lime. Light to medium-bodied, with sweeter peat notes on the palate. Creamy, with honey, cinnamon sticks, and green apples. The finish is medium in length, with peat slowly fading and a flaring of spices near the close.
