

**Tullibardine
Custodians' Release
1970**

40.5%

The second release in the Custodians' series was matured in two sherry hogsheads—one first-fill and the other second-fill. This 46 year old is presented at cask strength. The early nose offers herbal and menthol notes, old resin, citrus fruits, then milk chocolate-coated peppermint creams... idiosyncratic. The palate is quite thin, with more citrus fruits, almonds, and developing wood notes. The finish is lightly oaky and mouth-drying, with a touch of black pepper.
