

William Larue Weller

67.7%

Distilled in 2003. Weller is the only wheated bourbon in the Collection, with wheat replacing the rye found in most other bourbons. It's a very impressive representation, too.

Notes of nutty toffee, black raspberry, blueberry, green tea, cinnamon, and vanilla. Soft,

lingering oak on the finish. Like

last year's release, this is a soothing whiskey with a gentle demeanor. Buffalo Trace Antique Collection 2016. Editor's Choice.
