From rickhouse G, floor 5, barrel 136 is a study in caramel. Layered in crème brûlée, salted-caramel cupcake, caramel brownie, caramel apple fritters, caramel popcorn, and the classic caramel chew. Then, complexity: chocolate truffles, nutmeg-dusted hot bananas, ginger ice cream, cinnamon-candied almonds, and warm *povitica*. It's so creamy, so rich, and so unrelenting with masterful flavor that the powerfully long and caramel-forward finish is expected. Splendid, must-have sipper.
