The perfect proof. Rich in color, aroma, and flavor. It begins with powerful caramel, baking spice, chocolate, cherries, cinnamon, and toffee. Then nuance and complexity. Honey, jalapeño, rosemary, crème brûlée, malt, and fruit, from the spicy citrus of grapefruit to prunes and dried apricots. Hard to believe this is over 100 proof, as you never sense the strength challenging you to find what's next amidst the subtlety. Extremely long finish with cherry, cinnamon, and caramel. Value Pick.
