

**Angels Envy Cask
Strength (2016
Release)**

62.3%

No two Angels Envy Cask Strengths offer the same aromas. Here, cotton candy, honey, roasted pecan, and chocolate malt. Then a strange turn on the palate; roasted corn, dark chocolate, honey syrup, mashed cherry, caramel, Scotch ale, and cinnamon. Smoked cherrywood, hickory, milk chocolate, strawberry preserves, orange peel, and peach cobbler. What were once multiple fruit flavors now become a single cherry turnover with a sprinkle of cinnamon. It finishes medium with cherry.
