

The Distiller's Safe

43%

Master distiller Brian Nation has the most vital job at Midleton. His distillate-driven whiskey is light, perfumed, floral, and ripe with succulent fruits of Galia melon, apricots, and citrus pith. A smooth, creamy mouthfeel of barley sugars, dried banana, and lime zest ends with light vanilla sponge and orange frosting. Sucked Jaffa segments make for a quick finish. The most distinctive of the Whisky Makers trio, where the grain and pot still contributions are clearly evident. €70
