**Box The 2nd Step  
Collection 02**

**51.2%**

Expect six 2<sup>nd</sup> step bottlings, each showcasing different personalities of Box single malt; peating, wood, and cask size will be tweaked in pursuit of world-class quality. The twin pleasures of fruity sherry and smoke wrinkle the nostrils delightfully. An admirable balance: prudent use of peat, countered by apple, chocolate Kendal mint cake, nougat, and a fresh minerality.

Resplendent in noble *oloroso*; think apple flapjacks, sultana, fig, maple syrup, and toffee banana, with a prickle of spice lasting into the finish. (5,000 bottles) SEK747
