**The Balvenie PortWood  
21 year old  
40%**

This is the ultimate PortWood expression from Balvenie and has been finished in 30 year old port pipes. A more vibrant and textured Travel Retail variant is non-chill filtered and bottled at 47.6%. Soft, red grape notes, vanilla, and milk chocolate on the nutty nose. Very discreet smoke. Rich plum flavors in the mouth, dark berries covered in cream, and spicy honey. The finish is long and elegantly drying.
