

Kilchoman Sauternes Cask Matured 50%

This 2016 release follows similar port and Madeira quarter cask-matured Kilchomans, with sauternes casks being pressed into service this time. The casks in question were sourced from Château d'Yquem and the whisky is 5 years old. Earthy peat, a savory note, vanilla, citrus fruit, and sweet wine on the nose, while the palate offers smoked haddock, tarry rope, and bonfire embers. The finish is relatively long, with fruity peat.
