

GlenDronach 14 year old Virgin Oak

46%

Initially matured in recharred puncheons, then transferred for an unspecified period into virgin American oak casks. The nose offers icing sugar and soft toffee, vanilla, clementine, and wood varnish. More icing sugar, with orange and fudge on the palate, plus wood spice and an herbal note. Fruity through the finish, while spice builds, with a hint of aniseed at the close. An interesting alternative to the classic sherry-rich GlenDronach style.
