

Rampur Single Malt

43%

The distillery, founded in 1943, lies in Uttar Pradesh in the Himalayan foothills where they have been making whisky for 25 years.

Chocolate, coffee, dried cranberry, and dark toffee notes. Across the tongue, chocolate-dipped dried fruit and citrus peel, apple, strawberry, raspberry, malt, and glimpses of cinnamon, ginger, and star anise. Great quality whisky, the flavor plateaus through to a medium-length finish of ginger with bitter cocoa notes.
