

Kavalan Solist Amontillado Cask

56.3%

Floor 5 of the Kavalan warehouse is packed with their best sherry casks. The story begins with sultana, Brazil nut, vanilla pod, dates, and chocolate macaroons. The palate has ripe fruit, cherry, date, coffee, candied orange, chocolate, mocha, fruit pastilles, and some pepper, ending with bitter coffee notes. Cutting the strength provokes more citrus, though it reverts back to mocha eventually. Outstanding whisky and definitely the best of the bunch. (499 bottles)
