

**Gordon & MacPhail 10  
year old (distilled at  
Glen Grant)**

**40%**

This expression of Glen Grant has been matured in refill bourbon casks and is arguably more characterful than the distiller's own variant of the same age. Ripe orchard fruits on the nose, with honey and cinder toffee. The palate is light to medium in weight, offering more fresh fruit notes, vanilla, milk chocolate, and a hint of ginger. The nutty finish dries with just a hint of smoke.
