At 6 years, 4 months, and 6 days, this is beautiful. Honey, cinnamon, and marzipan are the opening trifecta, preparing you for roasted-nut wonders: almond, walnut, and pecan. Then it's complex crème brûlée, balsamic vinaigrette, salted caramel, molasses, maple syrup, and hints of toasted pine nuts, leather, and anise. With an eyedropper of water, it becomes a caramel bomb. In both cases, long finishes await, with hints of caramel.
