

Glenrothes 1995 American Oak

45%

The initial Glenrothes 1995 was released in 2011. This edition comprises first-fill American oak casks seasoned with dry *oloroso* sherry. Significant sherry cask influence early on the nose, with a savory note, rich fruitcake, cherries, malt, and developing vanilla custard. Supple in the mouth, with honey, berry fruits, and citrus notes. Spicier in time.

The finish dries slightly, with cinnamon and a sprinkling of black pepper.
