

**Exclusive Malts  
(distilled at Highland  
Park) 25 year old**

**46.8%**

Distilled in March 1992, this single cask expression was matured in a refill hogshead (#1266). The nose yields heather in bloom, a hint of machine oil, vanilla, orange fondant creams, and a wisp of sweet wood smoke. Smooth on the palate, with creamy orange notes, gentle spice, and, ultimately, soft peat smoke. The finish is relatively long, with Jaffa orange, black pepper, and drying oak. (209 bottles)
