

**Glenrothes 32 year old
1972 Vintage, 43%**

A very richly textured Glenrothes.

A heavy, honeyed maltiness provides the foundation of this whisky, with interwoven candied fruit notes (orange, tangerine, sultana), red and black licorice, toffee, and toasted almonds. Dry, spicy, oak notes balance its sweetness and provide depth. What impresses me most about this whisky is how it evolves on the palate and continues evolving through its lengthy finish.
