

Stalk & Barrel Corn

50%

This 5 year old corn whisky is blended with mature rye and single malt, creating a soft and creamy dram with flickers of grain dust and smatterings of spice. Pleasantly hot with sweet spices and fruit market aromas. Very pleasant esters, hints of acetone and pepper, it fades into corn syrup and traces of cinnamon. More woodiness would raise the score. (*Distillery-only bottling or by mail order in Ontario*) Canada's Sesquicentennial Celebratory Release. C\$45
