

Glenmorangie Astar

2017

52.5%

The first bottling of Astar was released in 2008. The 2017 release was matured in casks made of oak from Missouri's Ozark Mountains. The nose is floral, with rosehips, orange blossom, and milk chocolate-coated Turkish delight. Honey and citrus notes follow. Voluptuous on the palate; sweet, even sugary fresh fruit notes, plus vanilla, cinnamon, and cloves. Drying from coconut to plain chocolate in the lengthy finish. Extremely accomplished. *(Individual reviewer rating: 93)*
