Sallywag 13 year old **46%**

Sallywag is no lapdog; this mutt runs off the leash and disappears down a rabbit hole. The first thing that strikes is a spicy blast of cardamom, fennel, and onion seeds. Baked chestnut, grapefruit, baked orange, plum, and walnut aromas. Warm marmalade with thick peel, a fanfare of spices, and brown sugar cubes. Gratifying finish of grapefruit peel and a burning core of spice deep in the throat.
