

## **Egan's Vintage Grain**

**46%**

From vintage 2009, this bourbon cask matured whiskey is around the 8 year mark. Vanilla custard tarts, digestive biscuits, green vegetal notes, and scents of a bakery counter pull you in. Caramel, active spices, soft fruits, peach, apple, pear, pepper, and golden sultana flavors, but as the caramels slide into toffee the grain character becomes more evident into the finish.
