

Glen Scotia 18 year old

46%

New for 2017, this was matured for 17 years in bourbon casks before being finished in *oloroso* sherry casks for 1 year. The nose is fragrant, with prunes, oranges, vanilla, and faint wood polish.

Ultimately, ozone. Silky palate delivery, with sweet sherry, honey, and dark chocolate-coated orange fondant creams, then a note of angelica. The finish offers spicy plain chocolate and a suggestion of sea salt. £86
